PIP and Sir Speedy Named Leading Printing Companies Local brands achieve ranking on Printing Impressions' Top 400 List

MISSION VIEJO, Calif., December 28, 2010—PIP Printing and Marketing Services and Sir Speedy recently ranked on the Printing Impressions Top 400 list. Both companies are printing and marketing services franchise networks. Sir Speedy ranked number 19 and PIP ranked number 44 on the listing, which appeared in the December issue of Printing Impressions magazine. Sir Speedy received the highest ranking of all franchised printing companies.

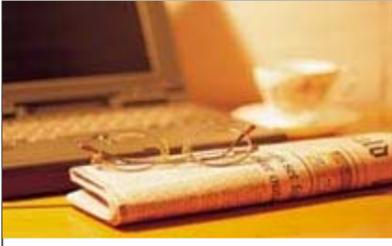

"To rank in the top five and ten percent among such leaders as R.R. Donnelley, Quad/Graphics and Cenveo is truly a compliment for our brand," said Richard Lowe, president of PIP and Sir Speedy. "I am proud of all our franchisees for helping us achieve this industry ranking."

Now in its 27th year, the Printing Impressions 400 provides the industry's most comprehensive ranking of the leading printing companies in the United States and Canada. The listings include company name and headquarters location; parent company, if applicable; current and previous year's rankings; most recent and previous year's fiscal sales; percentage change; primary specialties; principal officer(s); as well as number of employees, manufacturing plants and total press units.
